FESTIVAL STYLE

ghd have captured the festival spirit with kaleidoscopic hues and plenty of shine in the all-new ghd Festival collection. The range is headlined by the ghd platinum+ styler, ghd gold styler and ghd air hairdryer. These beloved tools and their packages have been dusted in bold rainbow hues, soft and dreamy pastel tones, metallic sheens and bright, multi-coloured accents to adopt the festival spirit entirely. **Visit www.ghdhair.com/au**

POPUP

Welcome the new and limited edition Black Popup from Glide Hair Tools, a new foils product that offers their signature sheets, with ten extra per box, as an extension of their ground breaking original Popup foils. The full 210 sheet box has embossed non-slip, single sheets with a lip, in chic black, to make work speedy and efficient for hairdressers. **Visit www.glidehairtools.com.au**

PADDLE BRUSH

Aveda's new Mini Paddle Brush offers a smaller version of the brand's iconic Wooden Paddle Brush, with a lightweight design and extended bristles for easy detangling and styling. The packaging is made from sustainably sourced wood and constructed of 100 per cent post-consumer recycled PET, while the insert has paper printed with soy ink. The sustainable brush is an ideal travel tool to add to your kit. **Visit www.aveda.com.au**

The latest tools, terms and technology

PEGASUS

Dateline Imports P/L has a new import in its mix, so you can welcome the Pegasus range of combs to Australia and New Zealand. Importantly, the tools are made from 100 per cent hard rubber and Flexinite Technology and offer seamless teeth and rounded edges. The range includes five tail combs with various sized teeth and tail materials, four cutting and styling combs, three barbering combs, a basin comb and four moustache and beard combs. **Visit www.datelinecity.com**

BALAYAGE BLEACH

Robert de Soto has just released three new Balayage Powder Bleach formulas in blue, purple and white, offering specialised formulations to aid freehand colouring techniques. The products are clay based for silky consistency and ease of application, with the different shades catering to every hair tone. **Visit www.datelinecity.com**

VALENCIA

The Valencia Shampoo Unit comes in chic black upholstery to suit any salon look, with the choice of a black or white basin to complete the aesthetic. The chair has an electric adjustable leg rest and an electric adjustable height. Always putting the salon front of mind, the technology is fitted with Australian approved tapware, and for the total luxe of your clients the chair can even lie completely flat. **Visit www.joiken.com.au**
